2 The Conference of 1901 were of opinion that there was a necessity to have 3 diff. offices — two of which were amalgamated at the time of abstraction into one.

3 Now that the Census Supdt himself can take an active part in the process of abstraction & tabulation, there seems to be no necessity for having a separate Office Establishment for the abstraction office. What subordinate Establishment for record arrangement &c. & the Record Keeper and Duffadars may be attached as a part of the Census Supdt's Office and asked to do duty at the abstraction Office there need not, I submit, be any formal official Communications between the Census Supdt and his asstts. He will be in short one of one Office here one staff.

4 The above view was upheld to some extent when a Special Staff was suggested for the Burhanpur Agency. In this view the Comparison with the Staff in 1901 is unmeaning.

5 The present Establishment of the Census Supdt Consists of the following:—

3. This time, I propose to have the Correspondence and the Memial Sections on the same scale as in 1901.

As regards the Record Section , I think it will be sufficient to have one Record Keeper and one Assistant Record-Keeper with four Dufterbands.

The pay of the Record Keeper and his Assistant may be fixed at Rs.35 and 25 respectively. The four Dufterbands may be paid Rs.12 each. Thus the cost of the Record Establishment will amount to Rs. 108 a month against Rs.118 in 1901.

4. In conclusion, I request that the Government may be pleased to sanction the following scale of Establishment for the Office Establishment of the Abstraction Office :-

Memo No. 8963 dated 4th March 1911 from the Revenue Commissioner in Mysore forwarding letter No. 2646 dated 2nd March 1911 from the Census Superintendent in Mysore, requesting sanction for a separate establishment for the Abstraction Office at a cost of Rs 285/- a month

Order thereon No. H. 4775-7/Cen. 60-10-2

Dated Bangalore 10th March 1911.

The marginally noted establishment asked for in the Census Superintendent's letter at a cost not exceeding Rs 285/-per mensem is sanctioned with the following remarks which are commended to the Census Superintendent for his careful consideration.

I. Correspondence section

1.	Head Clerk on Rs	40/-
1	Deputy "Clerk	35/-

1	-do- ".....	20/-
	Total ...Rs	120/-

II. Record section

1	Head Record keeper Rs	35/-
1	Assistant -do-	25/-
4	Dufterbands @ 12/- each Rs	48/-
	Total Rs	108/-

III. Mutchies and Menials.

1 Muchi on Rs	10/-
1 -do-	8/-

2. The Census Office with its new establishment, to be entertained, should all be worked as one office and no formal correspondence

Grand total Rs 285-0-0

Correspondence need be held b/e between the Census Superintendent and his Assistants as if they were separate independent offices. It is unnecessary to have different offices as in 1901, when the conditions were different from those of the present Census. There was then a necessity to have 3 different offices two of which were subsequently amalgamated at the time of abstraction into one. At the present Census, the Superintendent should himself take an active part in the process of Abstraction and Tabulation (Vide also remarks in Government order No. Fl.6131-3/Cen 16-09 dated 13th June 1910) . If literate men are employed as attenders, they would be useful in several ways.

3. The cost of the establishment sanctioned above should be met from the Census Budget grant under the Head " Abstraction" .
